

MaxMount800

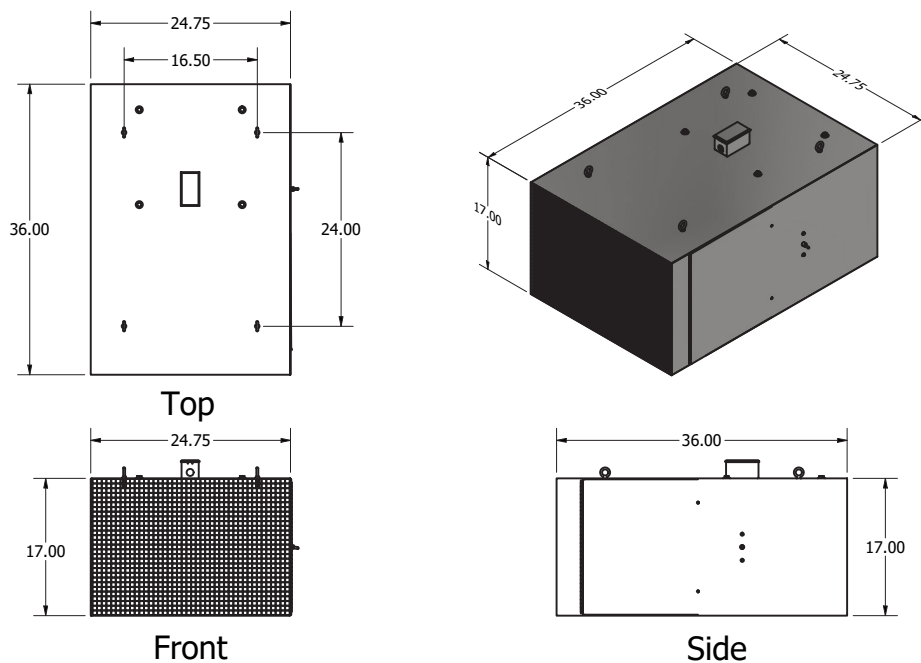

Commercial Air Purification System

The MaxMount800 is designed to work in tough environments. Whether an office, machine shop, or any other large location requiring a moderate level of airflow, the MaxMount800 features a CFM of 850. With flexible installation options, the MaxMount800 can be installed nearly anywhere – above a ceiling, below a floor, in a crawl space or even a mechanical room! Powerful airflow combined with our exclusive Triple Filtering System means quiet, safe contaminant removal.

Dimensions	Noise Level	Weight	CFM	Finish	Speeds
36" L x 24.75" W x 17" H	5' – Low: 64 db, High 68 db	125 lbs.	850 CFM	18 gauge steel	Dual speed
Horsepower	Volts	Watts	Amps	Misc.
